Revision: Past simple and Present perfect

Study these examples of the Present perfect from the recording of the artist.

- 1 *I've scanned* in about a third of these photographs.
- 2 *I've organised* the paintings into themes.
- 3 *I've added* a sound track.

Why doesn't the speaker use the Past simple?

- 4 *I scanned* in about a third of these photographs.
- 5 *I organised* the paintings into themes.
- 6 *I added* a sound track.

We use the Present perfect to describe past actions with present relevance. The artist uses the Present perfect because he is describing a CD he has just made and what he is going to do with it in the near future.

We use the Past simple to describe completed actions in the past. It is often used with time expressions such as *last year*, *before PCs were introduced*, *in 1998*. Note these examples from the recording:

- 7 I made one for Mary's birthday *last week*.
- 8 We tried it out *last term*.
